Water & Health Care Is World's Fastest Growing & High ROI Business

A company selling bottled water at sky-high prices, Beverly Hills 9OH2O is all set to enter India. The diamond edition of their luxury water bottles are priced at USD 100000 or Rs 65 lakhs and will soon be available to buy in India. In fact, the news of cricketer Virat Kohli drinking only Evian water which is priced at Rs 600 per liter had earlier confirmed that Indians are keen on drinking luxury packaged water.
